

SESSION DATES 2019

- Session 1, 2019 (10 weeks) February 4 to April 13
- Session 2, 2019 (10 weeks) April 29 to July 6
- Session 3, 2019 (10 weeks) July 22 to September 28
- Session 4, 2019 (10 weeks) October 14 to December 21

CLASS NOTES

- ❖ Please arrive at your first class at least 15 minutes early to allow for necessary paper work.
- ❖ Check with your doctor before beginning any new aerobic activity.
- ❖ Advise your instructor of any current medication or physical problems.
- ❖ Use of hand held and ankle weights in the Vertifirm™ segment is optional.
- ❖ Wear comfortable, cool clothing such as leotards, tights, shorts, tracksuit pants, tee-shirt etc.
- ❖ Appropriate footwear is very important. Shoes designed for indoor aerobics, tennis, netball or squash are best because they are designed for foot movement in all directions. Joggers or other athletic shoes are OK for beginners.
- ❖ Bring a thick towel or a floor mat for the floorwork segment.
- ❖ Bring water or a container for water to drink during class.
- ❖ If you need to do a make-up class at a different venue, consider calling that instructor to ensure the class is running as scheduled, particularly on public holidays. Some instructors conduct classes on these days and others do not.
- ❖ A number of our venues are used as polling stations during federal, state and local council elections. Before voting days, check with your instructor in case there are any class changes.

*Don't wait for someone
to take you dancing.
Take yourself to Jacki's!*

SCHEDULE OF CLASSES Session 1, 2019

February 4 to April 13

AEROBIC DANCING was created by Jacki Sorensen in America in 1969 and has been in Australia since 1981. Based on dance instead of repetitive exercise, it's never boring, always fun, and you'll be motivated to keep coming. Whether you're new to exercise or already fit, good at dancing or a two-left-footer, a teenager or a grandparent, you'll trim, tone and burn fat while strengthening your heart, lungs and core and working every muscle in your body – safely.

We present four sessions per year, most running 10 weeks to coincide with school terms. The music and choreography change every term. Students may attend any Jacki's class, mixing instructors and venues to suit their own schedule.

PLEASE NOTE that sometimes changes occur after the printing of the schedule, so check with Head Office or the website before attending your first class.

REGISTRATION FEES FOR THE 10-WEEK SESSION
